EARTH CARE FAIR

SATURDAY, APRIL 13TH, 10AM - 3:30PM

13 NE 36TH AVENUE, OCALA, FL 34470

FOR DETAILS GO WWW.FTKINGCHURCH.ORG

Join us for a day of learning and fun about things you, your family and place of worship can do to care for God's creation. Fort King Presbyterian Church is a designated Earth Care Congregation, one of hundreds across the United States.

All activities are FREE and open to the public.

10:30 & 1:30: EARTH CARE CONGREGATION WORKSHOP AND TOUR

Learn more about what places of worship can do.

There will be time for other faith leaders to share a little about their efforts to be more environmentally conscious.

10 - 12: PLANT CLINIC

Bring your sick or dying plants in for a check-up by a Master Gardener. Learn more about Florida Friendly Landscaping.

10 - 3: FASHION UPCYCLING CENTER BY OCALA CLOTHING SWAP

See how clothing and fabric discards can be turned into beautiful clothing. Clothing for sale. Participate in a Sit and Stich demonstration to learn an exciting and easy way to stitch your remnants and old clothing into fabulous designs.

12 NOON: UPCYCLED FASHION SHOW

Featuring models of all ages, colors and shapes. See firsthand how these upcycled creations look on a live model.

12 - 1:30: EARTH FRIENDLY RECIPE SAMPLING

America wastes more than 1/3rd of its food for human consumption. Come learn ways to prepare leftovers and unused pantry items into tasty, cheap and earth friendly recipes. From stone soup to casseroles to garbage salads to "ugly" food ideas, you will be treated to a light lunch. While supplies last.

10 & 2:30: WILDLIFE OF THE OCKLAWAHA MURAL WALK AND TALK

Learn about the wildlife included in the massive and beautiful mural created by well-known mural artist Drake Arnold.

10 - 3:30: CONSERVATION AND ART EXHIBITS

Recycled Art and Water and Wildlife Art at The Hope House. **Children's art activities. Ocklawaha River Exhibit** with experts sharing information about manatees, fish, springs and recreation.

Conservation Exhibits include Fair Trade coffee, recycling info table, FREE share table of books and recycled items (non-clothing), native plant information, and tables by other conservation groups.
