# QUARANTINE BUSINESS EXPO

The Quarantine Business Expo is a virtual Business Expo that will allow Businesses to exhibit their services and offerings to an engaged audience of online viewers across the various platforms that share our live stream. All Exhibitors will also receive a professionally-edited recording of their 3-min Presentation that they can use as they wish.

Although Businesses and viewers nationwide are welcome to participate, most of our marketing and sharing efforts will be geared towards Central FL to benefit our existing Network and Partners as much as possible.

Don't miss this opportunity to reach a large online audience at a very affordable rate.

This Event will be presented on two different days, and you can choose to participate in one or both (paid separately).
